Defence Secretary, Government of India vide their letter dated 10.01.2022 has informed that "The Republic Day Parade-2022 is a unique opportunity to celebrate the "Azadi Ka Amrit Mahotsav". Since the small section of the people can be present during the Republic Day Parade and the Beating the Retreat Ceremonies, it has been decided to connect with the citizens across the country digitally. As a part of this effort, MyGov has developed a webpage (www.mygov.in/rd2022) where citizens are invited to register themselves alongwith their family members for watching online streaming of Republic Day Parade and Beating Retreat-2022. A digital certificate will be issued to the citizens for their participation in the Republic Day Parade. The registration will also enable the users to participate in various other activities with MyGov Republic Day webpage. The registration on MyGov Republic Day Parade is a unique opportunity for citizens to express their solidarity with the country on this solemn occasion".

2. Accordingly, all the officers and staff are requested to register themselves and their family members on the MyGov Republic Day Parade webpage.
